In re Application of
CHARLES C. KUYAVA et al
Application No. 10/725,711
Filed: December 02, 2003
Attorney Docket No. AMS-176

DECISION ON PETITION
UNDER 37 CFR 1.137(b)

This is a decision on the petition under 37 CFR 1.137(b), filed July 25, 2005, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to timely submit the issue fee in a timely manner in reply to the Notice of Allowance and Fee(s) Due, mailed April 5, 2005, which set a statutory period for reply of three (3) months. Accordingly, the above-identified application became abandoned on July 6, 2005.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of payment of the issue fee and publication fee; (2) the large entity petition fee of \$1,500; and (3) the required statement of unintentional delay have been received. Accordingly, the issue fee is accepted as having been unintentionally delayed.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

There is no indication that the person signing the petition was ever given a power of attorney to prosecute the application. If the person signing the petition desires to receive future correspondence regarding this application, the appropriate power of attorney documentation must

be submitted. While a courtesy copy of this decision is being mailed to the person signing the petition, all future correspondence will be directed to the address currently of record until appropriate instructions are received.

Telephone inquiries concerning this decision should be directed to Amelia Au at (571) 272-7414.

The application file is being referred to the Office of Patent Publication.
